Description:

Placer County Food Bank's [Feed Our Future](#) program provides food assistance. Feed Our Future reaches out to food insecure children, rural communities and more. Under this umbrella, services that are offered include:

- Free Drive-thru Food distributions (formerly "Free Farmers Markets") at the following locations:
 - Cameron Park, Colfax, Forest Hill, Georgetown, Lincoln, Placerville, Pollock Pines, Rocklin, Sheridan.
- Backpack program
 - Roseville City, Western Placer, and Auburn School Districts
 - For children who live in food insecure households, meaning they do not know with certainty where their next meal will come from. Most of these children rely on meals provided by national school meal programs as their primary source of food. When Monday arrives many of these children complain of stomach aches, dizziness, difficulty concentrating, or are simply absent from school. The Backpack program provides these children with nutritious, easy-to-prepare food for **weekends** and **holidays** when school is not in session. Placer Food Bank assembles and distributes 987 packages of child-friendly snacks and meals each week to several high-need schools in the Roseville City, Western Placer, and Auburn School Districts. Packages are distributed to the students on Friday afternoons, who then tuck them into their backpacks before they head home for the weekend.
- School Pantry
 - The School Pantry program is ideal for schools serving students that have an adult available to prepare and cook meals for them. Placer Food Bank supplies a **family** sized bag of produce one week and nonperishable food the next. School Pantry encourages families to experiment with new

healthy recipes, share their love of cooking and sit and enjoy a meal together. Placer Food Bank distributes family bags of food benefiting 560 families per week.

CALFRESH APPLICATION ASSISTANCE

[CalFresh](#) (formerly known as Food Stamps) can help families and individuals put healthy and nutritious food on the table. CalFresh is a federal supplemental nutrition program for low-income families and individuals that meet certain income guidelines. If you think you might qualify, Sierra Community House can help you fill out your application and send in the necessary paperwork.

LET'S TALK TURKEY

Each year, Sierra Community House (formerly Project MANA) helps hundreds of local families have a happy, healthy Thanksgiving through the Let's Talk Turkey Food Distribution.

2021: Sierra Community House will offer three special food distributions for the Thanksgiving holiday that will include a turkey and fixings. Services are free and everyone is welcome. You can register onsite; no qualifying documentation is required.

- **Incline Village** Drive-Through: Thursday, November 18, 2:30-3:30 pm, St. Patrick's Episcopal Church (341 Incline Blvd.)
- **Truckee** Drive-Through: Tuesday, November 23, 4-5:00 pm, Sierra Community House Warehouse (12116 Chandelle Way)
- **Kings Beach** Walk-Up: Wednesday, November 24, 3-4:30 pm, Sierra Community House (265 Bear Street)

FOOD DONATIONS

Sierra Community House's Hunger Relief Program depends heavily on the support of the local community. Please know, however, that 60% of all food donations come in during the holiday season/year-end. The increased amount of food donations creates logistical challenges to our capacity. Please be patient with us as we process your interest in donating food. In order to work together more effectively to serve our community, please consider creative options during food drive season. Scroll down the web page [here](#) to see info about Virtual and Traditional Food Drives for donating food.

 This is a Ready to Grow (R2G) resource. Ready to Grow is a First 5 Nevada County program to connect children 0-5 with services and information that support their well-being. Organizations with programs that have this R2G tag may have additional programs of interest to families.
